TRAFFIC ADVISORY

CONSTRUCTION TO RESULT IN PERIODIC CLOSURES OF COURCHAINE BRIDGE

The Manitoba Floodway Authority (MFA) is advising the public that the Courchaine Bridge at the Inlet Control Structure will be subject to periodic closures until March 31, 2009 to facilitate improvements to the inlet structure as part of the Red River Floodway Expansion Project. **The bridge will remain open as construction work permits.**

The Courchaine Bridge (Inlet Control Structure) is located on Courchaine Road between Turnbull Drive and St. Mary's Road. The public is advised that alternative bridge crossings are available on the Perimeter Highway (PTH 100) and at St. Adolphe.

For more information, please visit the MFA website (www.floodwayauthority.mb.ca) or contact the MFA at (204) 945-4900 or toll free at 1-866-356-6355 for more information.

The MFA would like to thank the public for their co-operation and understanding as the Red River Floodway Expansion Project proceeds.
